

Chloé Jabbour

Senior UX/UI Designer | Design Instructor | Design Consultant

Multidisciplinary UX/UI Designer with a strong background in digital product design, branding, and design education. While currently holding key roles in startups and agencies across fintech, gaming, and education sectors, I also independently consult and lead design projects as a freelancer—creating user-centered experiences for a range of clients. Since 2024, I've been actively freelancing, partnering with businesses to deliver thoughtful, impactful digital solutions.
